Education

B.Tech in Computer Science Engineering

DYPCET, Kolhapur

2025 – 2028

CGPA: 8.0

Diploma in Electronics and Computer Engineering

New Institute of Technology

2023 – 2025

Percentage: 91.00%

Technical Skills

Languages: C, C++, Python, Java, HTML, ASM, MATLAB, SPICE (circuit simulation)

Web: HTML, CSS, JavaScript, PHP, SQL

Embedded: Arduino, Sensors, UART, RT Systems

ML/CV: NLP, OpenCV, YOLO, SSD

Tools: Git, GitHub, VS Code

Achievements

- Scored **91%** in Diploma (Top academic performance)
- Organized and led multiple technical and non-technical events
- Built multiple real-world projects in ML and Embedded Systems

Interests

Chess, Problem Solving, Networking, Reading

Projects

Sentinel-AI-X (Threat Intelligence)

- Architected autonomous AI threat agent delivering sub-30ms vulnerability payload detection
- Engineered zero-trust inspection pipeline providing instant malicious pattern quarantine

DSA Visualizer Pro

- Developed 30+ interactive algorithm visualizers with real-time Big-O complexity graphing
- Engineered dual-platform APK and desktop AWT/Swing control center

LogicLens (Desktop Programming Logic)

- Created cross-platform Electron desktop app for step-by-step memory stack frame and heap visualizer
- Integrated native Java/C compilers to parse Abstract Syntax Trees (AST) and variable state transitions

WedCraft (Full Stack Event Platform)

- Designed full-stack event and wedding planning platform with real-time guest RSVP workflows
- Structured responsive glassmorphism user interface using Tailwind CSS and Express REST endpoints

SMS Spam Detection (ML)

- Developed NLP-based model to classify spam messages
- Applied text preprocessing and feature extraction techniques

Biometric Attendance System

- Designed Arduino-based fingerprint authentication system
- Enabled real-time attendance tracking

Leadership & Activities

Event Coordinator (2023–2025)

- Led planning and execution of technical and sports events
- Managed teams and coordinated logistics

Core Team Member, NIT Kolhapur

- Organized large-scale institutional events
- Coordinated logistics and team operations
